Statement of Your Name of Your Address

Date of Birth:

I hereby declare that this statement is true to the best of my knowledge and belief and that I make it knowing that if it is tendered in evidence I will be liable to prosecution if I state in it anything which I know to be false or do not believe to be true.

My name is

and I live at

The names of the covid19 vaccines I received was

I was encouraged to get the covid19 vaccination by the Irish government, the HSE, RTE, and the press and media.

I was not told about the injuries, illnesses, disabilities and deaths caused by the covid19 vaccine in Ireland and in other countries around the world. I was not given the information about injuries, illnesses, disabilities and deaths caused by the covid19 vaccine detailed in **Exhibits 1 and 2 and 67**, which are from Pfizer itself, even through this information was known to the Regulators such as the HPRA in Ireland and EMA in Europe by January 1<sup>st</sup> 2021 for Exhibit 1 and by April 1, 2021 for Exhibit 2 and Exhibit 67. This information was deliberately withheld from me and all other covid19 vaccine recipients in Ireland and other countries. This means my full Informed Consent was not given for these vaccinations.

**Exhibit 67** is a compilation of the Pfizer internal documents, released under court order in the USA, showing the horrific injuries, illnesses, disabilities and deaths caused by the covid19 vaccines. This was not communicated to those people who got covid19 vaccinations in Ireland, the USA, Britain and many other countries, and this means Informed Consent was NOT given.

Myself and other vaccine recipients were not told about the dangerous side effects and types of illnesses and deaths that these vaccines cause amounting to over 100 pages long according to Vigiaccess the vaccine injuries database of the World Health Organisation (WHO). This is on the Vigiaccess web site. These 100 pages are also at

<https://www.data-analytica.org/side-effects2.pdf> and continued on

<https://www.data-analytica.org/side-effects2a.pdf>

There are over 1,200 Published and Peer Reviewed Scientific studies about the injuries, illnesses,

disabilities and deaths caused by the covid19 vaccine to adults and children and they can be viewed on the web site at [www.react19.org/1250-covid-vaccine-reports](http://www.react19.org/1250-covid-vaccine-reports) , this is Exhibit 6e.

**All of this information was deliberately withheld from me and all other covid19 vaccine recipients prior to our vaccinations in Ireland and other countries. This means my full Informed Consent was not given for these vaccinations and this led to me being injured, made ill or disabled by the covid19 vaccine. This was a criminal act and a violation of my Human Rights.**

I received my first covid19 vaccine on

And I received my second covid19 vaccine

And I received my third covid19 vaccine

And I received my fourth covid19 vaccine

After I got the covid19 vaccination I became ill within

I experienced the following symptoms

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.

The covid19 vaccine inflicted the following illness(es) and disability on me

- 1.
- 2.
- 3.
- 4.

I have medical reports and hospital reports to verify all of this and I will use this as Prima Facie evidence in court.

My full Informed Consent was not given for these vaccination as I was misled and not given proper disclosure about the injuries, illnesses, disabilities and deaths caused by the covid19 vaccine by the vaccinators, my doctor, the HSE, the HPRA, the EMA, the CMO, the Department of Health and the Irish government. Under Article 40 of the Irish Constitution, all citizens are equal before the law, there are no special privileges to commit crimes for politicians, state officials or self important people.

A crime has been committed against me. I have suffered serious injury and illness and disability and financial losses as a result of this crime against me. I am pressing criminal charges against all those parties who vaccinated me, approved and authorized the vaccine, distributed the vaccine and marketed and promoted the vaccine in the press and media.

- The covid19 vaccines were in trial stage until mid 2023. The Irish government and health and regulatory authorities failed to create a Clinical Trials Register in Ireland for these vaccine trials as required under EU Regulation (EU) No 536/2014 of 2014 and the Implementing Regulation (EU) 2017/556 of 24 March 2017 and the European Clinical Trials Directive 2001/20/EC of 2001. This Clinical Trials Register should contain the names and details of the persons participating in these covid19 vaccine trials, and monitoring reports for individuals, and detailed health status reports, including safety reports and adverse effects reports. And it should be made available to the general public, subject to GDPR protections. The Clinical Trials Register is described on the EU web site at <https://www.clinicaltrialsregister.eu/about.html> . The Irish government and health and regulatory authorities breached these EU laws.

**Breach of Regulation (EU) No 536/2014** of the European Parliament and of the Council of 16

April 2014 on clinical trials on medicinal products for human use, and repealing Directive 2001/20/EC Text with EEA relevance

<https://eur-lex.europa.eu/legal-content/EN/TXT/?uri=celex%3A32014R0536>

The Commission Delegated **Regulation (EU) 2017/1569** of 23 May 2017, supplementing Regulation (EU) No 536/2014 of the European Parliament and of the Council applies to all clinical trials authorised on the basis of the Clinical Trials Regulation. It specifies principles and guidelines for good manufacturing practice for investigational medicinal products for human use, and arrangements for inspections. Complementary to this, the detailed Commission guideline, adopted on 8 December 2017, on the good manufacturing practice for investigational medicinal products, pursuant to the second paragraph of the **Article 63(1) of Regulation (EU) No 536/2014** was adopted on 8 December 2017.

### **European Clinical Trials Directive 2001/20/EC**

<https://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=OJ:L:2001:121:0034:0044:en:PDF>

If clinical trials are conducted outside the EU, but submitted for marketing authorisation in the EU, they have to follow similar principles to the provisions of the Clinical Trials Directive.

The failure to comply with these EU laws and the outright refusal to comply in Ireland is a serious breach of EU laws and is grounds alone for suspending or ending the covid19 vaccination programme in Ireland and other EU countries which have failed to comply with EU law. It is also grounds for civil cases and criminal cases in the Irish courts and European courts for those persons damaged by the breaches of these EU laws.

I further say that there have been breaches of Section 9, subsections 4 and 5 of the Control of Clinical Trials Act, 1987. The 6 days requirement was not met and was totally ignored and the people receiving the covid19 vaccines were not informed about the ongoing trial they were part of and not informed about the dangers and risks. In fact, the general public were not told that mass covid19 vaccinations was a large scale trial until mid 2023.
